AFRICAN UNION

INTERAFRICAN BUREAU FOR ANIMAL RESOURCES

VISION

An Africa in which animal resources contribute significantly to integration, prosperity and peace.

MANDATE

To support and coordinate the sustainable development and utilization of animal resources (livestock, fisheries and wildlife) to enhance nutrition and food security and contribute to the wellbeing and prosperity of the people in the Member States of the African Union

MISSION

To provide leadership and integrated support services for the development of animal resources in Africa

Strategic Niche

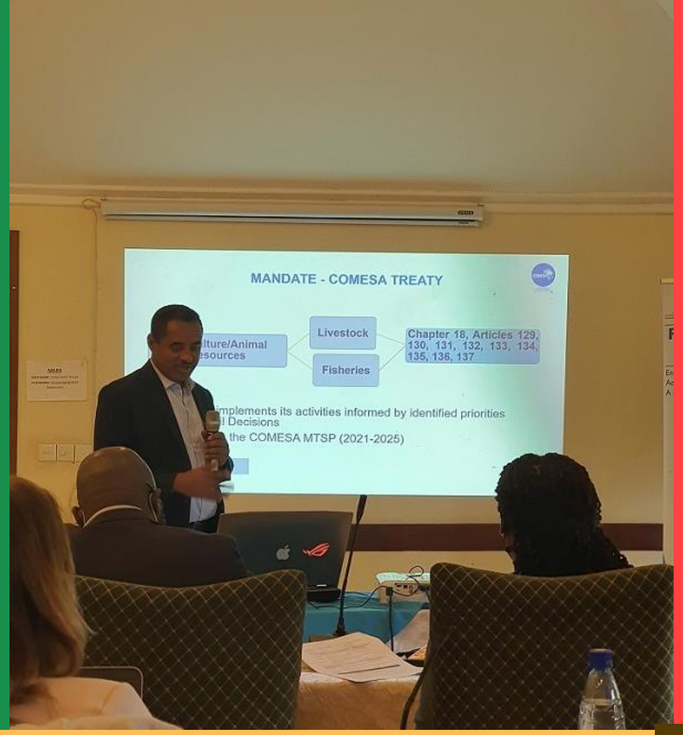

AU-IBAR fills an exclusive and strategic niche by working on the continental and regional levels, with the Regional Economic Communities as key partners.

Founded on the principles of subsidiarity and complementarity.

Why we are here:

"70 years of sustained partnerships & political support for enhanced coordination of animal resources development in Africa" - 2021

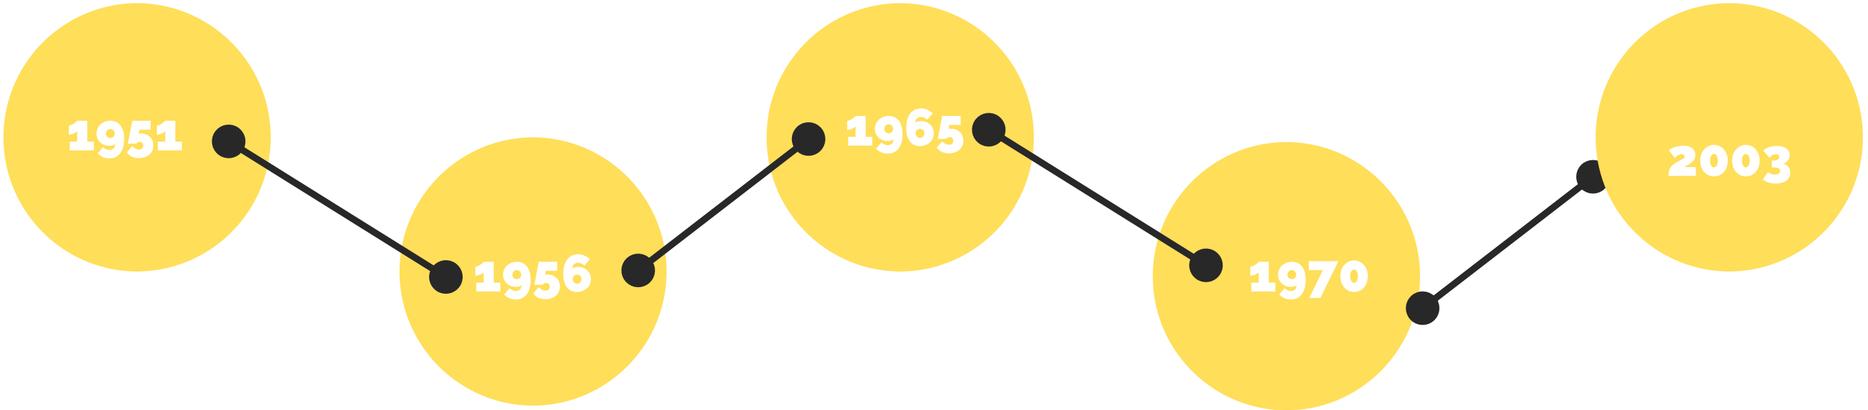

10th Anniversary of Rinderpest Eradication - 2021

Our History

1951 — Interafrican Bureau of Epizootic Diseases (IBED) aimed at rinderpest eradication

1956 — Interafrican Bureau for Animal Health (IBAH)

1965 — Part of OAU integrated as a regional technical office

1970 — Interafrican Bureau for Animal Resources (IBAR)

2003 — Specialized technical office of the AUC-DREA from 2003
